## Meet our Members

Today we present our new vice president, Carmen Delgadillo. She is Bolivian, from La Paz, mother of four children, with studies in business administration and gastronomy (we attest to her amazing dishes).

She has been volunteer for the Family Association since 2008 when she moved to Santiago de Chile. **“In the Family Association I found a space that allows me to learn, have fun and help; it is my refuge far from my home.”** Carmen has performed in various roles, in the Country Offices and at our Headquarters in DC. **“I am committed to the opportunity to make a difference for our members who are facing the challenge of adjusting to a new environment.”**
